Dear Sir / Madam,

With great pleasure we inform you that we are organising one day International Conference on “Advances in Theoretical and Applied Mathematics ” on 14-02-17. We cordially invite the faculty members, research scholars and PG students of your esteemed institution to participate in this International Conference.

About the College and Department

Founded in 1999 by the Madurai Sivakasi Nadars Uravinmurai, the College thrive for the intellectual upliftment of rural women towards higher education. The college is affiliated to Alagappa University. The college is proud of its University rank holders including University first ranks.

The department of Mathematics came into existence in 2003 offering Bachelor’s Degree course in Mathematics. The PG Department of Mathematics was established in the year 2006. For a decade, it is serving the student community and hence the society in an exemplary way. Right from the inception, the Department has been committed to attain excellence in its academic pursuits.

About the Conference

There have been significant advances in the field of Theoretical and Applied Mathematics. These developments are now being applied to various fields and to other wide range of practical problems. The International Conference intends the researchers to do the additional amount of research work to make the best decisions under time constraints.

The Technical Sessions of the Conference will consist of invited lectures and paper presentation by many research scholars.

Topics of the conference

Conference will cover the following areas

1. Mathematical Modelling & Differential Equations
2. Applied Graph Theory
3. Fuzzy Mathematics
4. Lattice Theory
5. Computational Statistics
6. Operations Research
